

CITY OF HALIFAX

HALIFAX COUNTY
NOVA SCOTIA

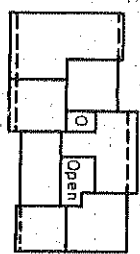

SCALE
40 feet to 1 inch
Contour Interval 2 Feet

These plans are the property of the City of Halifax, and may not be
reproduced, copied, or otherwise used in any form without
written approval and permission from the City of Halifax.

This map was compiled by photogrammetric
methods from aerial photographs taken in 1958.
Grid shown is a plane rectangular projection,
based on Transposition Station established by the
Federal Government of Canada. Origin was taken at
Halifax, Nova Scotia, and is at 44° 40' 00" N
and 63° 30' 00" W. Contours are based on City
of Halifax, which is based on 100-foot
contours. Contour was established by Walter E.
Sweeney, Project Engineer, Halifax, N.S.

REFERENCE

Buildings - with open spaces
Indicated Open or Closed
